Hired this company for a Hen Party. Brilliant service throughout. Great communication leading up to the event, Danny arrived and set up on time and hosted a wonderful event. Drinks were great and were twists on traditional cocktails, a lovely atmosphere was created. Would definitely recommend.

We had so much fun cocktail making with Alex from Bar Art District!! Alex's email communication during the booking process was very good so I felt reassured at his professionalism. As this was a hen party we wanted to have some fun too & it was the perfect balance of games & making some perfectly balance, delicious cocktails that also looked amazing. Alex had all of the professional equipment & he set up effortlessly. We had such a great time & everyone enjoyed themselves, so thank you so much Alex. Highly recommend booking Alex & his team for any party or occasion. Beautiful cocktails.
